**Notes to Combined Pro Forma Financial Statements of
Marsico Flexible Capital Fund and Marsico Global Fund
March 31, 2018 (Unaudited)**

NOTE 1 – GENERAL

The accompanying unaudited pro forma financial statements give effect to the proposed reorganization of the Marsico Flexible Capital Fund (“Marsico Flexible Capital Fund” or the “Acquired Fund”) in exchange for shares of the Marsico Global Fund (“Marsico Global Fund” or the “Surviving Fund”), at net asset value per share (the “Reorganization”). Each Fund currently offers a single class of shares and will offer only a single share class of the Surviving Fund subsequent to the Reorganization. The pro forma information set forth in the preceding statements and the corresponding notes is as of and for the unaudited twelve-month period ended March 31, 2018 and is intended to present the data as if the Reorganization had occurred as of March 31, 2018 and at the beginning, or April 1, 2017, of the unaudited twelve-month period, as applicable. The pro forma financial information provided herein should be read in conjunction with the Funds’ annual and semi-annual reports, which are incorporated by reference in the Information Statement/Prospectus. All pro forma estimates are approximate, based on factors that could change, and subject to potential revision.

NOTE 2 – REORGANIZATION

The Reorganization is intended to qualify for federal income tax purposes as a tax-free reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended. Accordingly, pursuant to this treatment, neither the Acquired Fund nor its shareholders, nor the Surviving Fund nor its shareholders, are expected to recognize any gain or loss for federal income tax purposes from the transactions contemplated by the Plan of Reorganization, excluding any net capital gains that may arise from the sale of investment securities related to portfolio realignment. At March 31, 2018, the Acquired Fund and Surviving Fund did not have any capital loss carryforwards.

Under the terms of the Plan of Reorganization, the Reorganization would be accomplished by the Surviving Fund’s acquisition of the net assets of the Acquired Fund in exchange for shares of the Surviving Fund at net asset value. The aggregate tax basis of the Surviving Fund shares received by the shareholders of the Acquired Fund will be the same as the aggregate tax basis the shareholders of the Acquired Fund held in their shares of the Acquired Fund immediately before the Reorganization.

In accordance with Generally Accepted Accounting Principles (“GAAP”) in the United States of America, the historical cost of investment securities held by the Acquired Fund will be carried forward to the surviving entity, Marsico Global Fund, and the results of operations of Marsico Flexible Capital Fund for pre-combination periods will not be restated. Marsico Global Fund will be the accounting survivor for financial reporting and performance purposes subsequent to the Reorganization. Management believes the accounting survivor of the Reorganization is appropriate in light of the attributes of the Surviving Fund and the Acquired Fund.

Marsico Capital Management, LLC (the “Adviser”) serves as the investment adviser to the Funds. The Adviser will bear all costs associated with the Reorganization, excluding brokerage-related expenses and other transaction expenses related to the purchase or sale of portfolio investments, which will be borne by the respective Funds.

The Reorganization does not require Shareholder approval and is anticipated to occur on or about August 3, 2018 (or on a later date as the parties may agree).

NOTE 3 —PRO FORMA FINANCIAL INFORMATION AND ADJUSTMENTS

The pro forma information has been derived from the books and records used in calculating daily net asset values of the Acquired Fund and the Surviving Fund and has been prepared in accordance with GAAP in the United States of America for investment companies. The presentation of financial statement information requires management to make estimates and assumptions that affect this information. Actual results could differ from those estimates.

The unaudited pro forma financial statements are presented to show the effect of the proposed transfer of all of the assets of the Acquired Fund in exchange for shares of the Surviving Fund and the assumption by the Surviving Fund of all of the

liabilities of the Acquired Fund as described elsewhere in the Information Statement/Prospectus relating to the Reorganization.

The pro forma adjustment descriptions below are meant to explain the impact of the Reorganization as reflected on the preceding pro forma financial statements.

- (a) To adjust the value of the Trustees' Deferred Fee Plan held in the Marsico Global Fund – Pro Forma Combined. Adjustment was calculated by exchanging the shares held of the Acquired Fund by the Trustees' Deferred Fee Plan for shares in the Marsico Global Fund – Pro Forma Combined. The market value of the Acquired Fund's shares held by the Trustees' Deferred Fee Plan was divided by the net asset value per share of the Surviving Fund to derive the estimated shares owned of Marsico Global Fund – Pro Forma Combined by the Trustees' Deferred Fee Plan.
- (b) To adjust the Marsico Global Fund – Pro Forma Combined equity components by the undistributed net investment loss and accumulated net realized gain amounts of the Acquired Fund.
- (c) To adjust "Shares Outstanding" of the Marsico Global Fund – Pro Forma Combined based on combining the Acquired Fund at the Surviving Fund's net asset value per share.
- (d) To adjust "Net Asset Value, Redemption Price and Offering Price Per Share" of the Marsico Global Fund – Pro Forma Combined based on combining the Acquired Fund at the Surviving Fund's net asset value per share.
- (e) To adjust "Investment advisory fees" for the Marsico Global Fund – Pro Forma Combined at the combined average daily net assets of the Acquired Fund and Surviving Fund.
- (f) To adjust "Transfer agent fees and expenses" for the Marsico Global Fund – Pro Forma Combined for sub-transfer agency fees and expenses as well as transfer agent fees assessed on a per shareholder account basis.
- (g) To remove certain duplicative fees or expenses as a result of the Reorganization.
- (h) To adjust "Trustees' fees and expenses" for the mark to market unrealized appreciation during the twelve-month period for shares held in the Trustees' Deferred Fee Plan in the Marsico Global Fund – Pro Forma Combined. The market value of the shares held of the Acquired Fund was utilized to convert the Trustees' Deferred Fee Plan shares to the equivalent number of shares in the Marsico Global Fund – Pro Forma Combined as of April 1, 2017.
- (i) To adjust "Fund administration fees" for the Marsico Global Fund – Pro Forma Combined using the Surviving Fund's administration fee rates at the combined average daily net assets of the Acquired Fund and Surviving Fund.
- (j) To adjust "Custody and fund accounting fees" for the types of investment securities held by the Marsico Global Fund – Pro Forma Combined portfolio during the twelve-month period at the contracted rates for the Surviving Fund.
- (k) To restate expenses waived and/or reimbursed using the expense limitation cap for the Marsico Global Fund – Pro Forma Combined portfolio at the combined average daily net assets of the Acquired Fund and Surviving Fund and the combined pro forma expenses.

NOTE 4 – DISTRIBUTIONS TO SHAREHOLDERS

Prior to the Reorganization, the Acquired Fund generated realized net capital gains and net investment income for tax purposes. It is currently estimated that the Acquired Fund will be required to distribute to its shareholders both net capital gains and net investment income prior to the Reorganization date, which is anticipated to be on or about August 3, 2018 (or on a later date as the parties may agree). Shareholders of the Acquired Fund will generally be taxed on any resulting distributions.
