WHAT YOU SHOULD KNOW

We recognize our obligation to keep information about you secure and confidential. It's important for you to know that we do not sell or share Customer Information with marketers outside the Marsico Funds and the service providers to the Funds. So, there is no need for you to tell us not to. You also need to know that we carefully manage information among our service providers to give you better service, more convenience, and to offer benefits to you.

The Marsico Funds privacy policy covers Customer Information, which means personally identifiable information about a consumer or a consumer's current or former relationship with the Marsico Funds. This notice generally describes the privacy policy, and is provided to you as required by the Federal Financial Privacy Law.

PROTECTING INFORMATION ABOUT YOU FROM MARKETERS OUTSIDE THE MARSICO FUNDS

The Marsico Funds do not sell or otherwise share any Customer Information with marketers outside the Marsico Funds. You don't need to take any action to prevent disclosure. While we may offer products and services on behalf of outside companies, the Marsico Funds and companies that work for us control the information used to make those offers.

MAKING THE SECURITY OF INFORMATION A PRIORITY

Keeping financial information secure is one of our most important responsibilities. We value your trust, and we handle information about you with care. Your Customer Information is handled by service providers for the Marsico Funds. We limit access to Customer Information to those service providers who need to know that information to provide products and services to you or to maintain or service those products or services.

We maintain physical, electronic and procedural safeguards to protect Customer Information. We continually assess new technology for protecting information and we upgrade our systems when appropriate.

COLLECTING INFORMATION

We collect and use various types of information to service your accounts, to save you time and money, to comply with regulatory requirements, and to better understand your needs.

We collect the following information about you from the following sources:

1. Information you provide to us on applications and through other means, such as your name, address and Social Security Number.
2. Information about your transactions and account experience with us, such as your account balance, investment history, and information about our communication with you, such as account statements and trade confirmations.

SHARING INFORMATION WITHIN THE MARSICO FUNDS

The Marsico Funds are a group of mutual funds that have no employees. The Funds are organized as a trust, and do not own subsidiaries or have a parent company. The management of the Funds' investments and other operations of the Funds are carried out by various service providers that provide related services to the Funds and to you. These providers include, among others, the investment adviser, the transfer agent, the custodian, the distributor and the administrator.

In order to serve you, the Marsico Funds share Customer Information among the Funds. For example, we provide a statement that consolidates information about your holdings in each Fund onto one statement. This statement may help to facilitate your understanding of your investment in the Marsico Funds. In addition, if you invest in a new Marsico Fund, our consolidation of information about you may help to ensure that you do not usually need to furnish account information more than once. By sharing information about your accounts and relationships among our family of service providers, we can save you time and money and make it easier for you to do business with us.

SHARING INFORMATION WITH COMPANIES THAT WORK FOR US

We may share various types of Customer Information with service providers that provide the Funds or you with products and services that the Funds or you have requested or already receive from us. We share only the information needed to provide those products and services and to provide a good customer experience. These service providers may include financial service providers such as the investment adviser, the custodian, the transfer agent, the distributor and the administrator, and non-financial companies such as data processing companies. These service providers may assist us, for example, in fulfilling your service request, processing your transaction, maintaining company records, or helping us mail account statements and trade confirmations. In addition, we may share various types of Customer Information with companies that provide marketing and other services. All of these companies act on our behalf, and are obligated by contract or otherwise to keep the information that we provide to them confidential, and to use the information only to provide the services we've asked them to perform for you and us.

DISCLOSING INFORMATION IN OTHER SITUATIONS

We may also disclose various types of Customer Information to non-affiliated third parties when permitted or required by law. This may include, for example, a disclosure in connection with a subpoena or similar legal process, an investigation, or an audit or examination. We may also share any of the types of Customer Information outside our family of service providers if we have your consent.

MAKING SURE INFORMATION IS ACCURATE

Keeping the information about your account accurate and up-to-date is very important. We provide you with access to account information through various means such as account statements. If you ever find that your account information is incomplete, inaccurate or not current, or if you have any other questions, please contact us by any of the means listed below. We will try to investigate your inquiry or complaint and to update or correct any erroneous information as quickly as possible.

KEEPING UP-TO-DATE WITH OUR PRIVACY POLICY

The Marsico Funds will provide notice of our privacy policy annually, as long as you maintain an ongoing relationship with us. This policy notice and the Funds' privacy policy may change from time to time, but you can always review our current privacy notice on our website at marsicofunds.com or contact us for a copy of the privacy policy by calling 888-860-8686.
