WHAT YOU SHOULD KNOW

The Marsico Funds maintain for the benefit of our individual shareholders a privacy policy that is intended to protect private “Customer Information.”

Customer Information includes nonpublic personal information about you. This includes personally identifiable financial information about you as a consumer or as a customer of the Marsico Funds, your shareholder account, or your relationship with the Marsico Funds.

We recognize our obligation to keep Customer Information about you secure and confidential. This Privacy Notice under SEC Regulation S-P tells you about how the Marsico Funds use and protect your Customer Information under the Marsico Funds’ privacy policy.

CUSTOMER INFORMATION WE COLLECT

Customer Information that we collect includes the following:

- Information you provide to us on Fund account applications and contracts, such as your name, address and social security number or taxpayer identification number.
- Information about your Fund transactions, account, and experience with us, such as your account balance, holdings, investment history, and information about our communications with you, such as account statements and trade confirmations.

WE DEPEND ON FUND SERVICE PROVIDERS TO SERVE YOU

The Funds have no direct employees, and depend on service provider companies (“Fund Service Providers”) to process and maintain your investment in the Funds, and perform other services for you and the Funds.

The Funds generally limit access to Customer Information to Fund Service Providers, which may need access to your information to provide or maintain services to you.

To serve you better, the Funds may also share Customer Information among multiple Funds or Fund Service Providers. For example, we provide a statement that consolidates information about your holdings in each Fund onto one statement. If you already invest in a Marsico Fund and decide to invest in a new Marsico Fund, consolidation of this information typically enables us to leverage previously provided account information so that you will not have to provide any additional information.

By sharing information about your accounts and relationships among our Fund Service Providers, we may be able to save you time and money and make it easier for you to do business with us.

CERTAIN FUND SERVICE PROVIDERS HAVE ACCESS TO YOUR CUSTOMER INFORMATION

Two Fund Service Providers that regularly need access to your Customer Information to serve you are the Distributor and the Transfer Agent, which generally distribute fund shares, process shareholder transactions, and provide other shareholder services.

These Fund Service Providers may assist us, for example, in fulfilling your service request, processing your transaction, maintaining company records, analyzing your account’s performance, or helping us mail account statements and trade confirmations. These Fund Service Providers maintain privacy policies of their own to help protect your Customer Information.

Other Fund Service Providers also may need access to Customer Information at times, such as companies that keep records for the Distributor or Transfer Agent, the Funds' investment adviser, auditors, trading system providers, broker-dealers that assist in the execution of shareholder transactions in Fund shares, and other Service Providers. These Service Providers also are generally subject to agreements to protect such information or other restrictions.

HOW WE PROTECT YOUR CUSTOMER INFORMATION

The Funds' privacy policy requires the Funds and Fund Service Providers to maintain administrative, technical, and physical safeguards to protect Customer Information in our offices and computer systems.

All Fund Service Providers act on the Fund's behalf, and are obligated to keep the Customer Information provided to them confidential, and to use the information only to provide the services that the Funds have asked them to perform.

For example, a Fund Service Provider that is authorized to have access to Customer Information (such as the Distributor and Transfer Agent) is required to keep the Customer Information in a reasonably secure location. Fund Service Providers must maintain safeguards to protect each customer's nonpublic personal information from inappropriate disclosure to third parties.

Only personnel of relevant Fund Service Providers should have access to paper records containing nonpublic personal information. Electronic or computer files containing such information must be password-protected from access by unauthorized persons. Conversations involving nonpublic personal information, if appropriate, should be conducted by employees in private, and reasonable care must be taken to prevent unauthorized persons from overhearing or intercepting such conversations.

If the Distributor, Transfer Agent, or other Fund Service Provider uses an outside vendor to process or store Customer Information, the vendor must sign a contract under which the vendor agrees to keep Customer Information confidential.

LIMITED DISCLOSURE OF CUSTOMER INFORMATION TO UNAFFILIATED THIRD PARTIES

We may share your Customer Information with certain unaffiliated third parties, including Fund Service Providers that may be considered unaffiliated.

All disclosures to unaffiliated third parties occur as permitted by law, under applicable exceptions to your right to restrict certain other disclosures.

We do not share Customer Information about you with unaffiliated third parties outside these exceptions. Accordingly, you do not need to tell us that you wish to opt out of disclosing Customer Information to unaffiliated third parties.

Under the applicable exceptions, the Funds or Fund Service Providers may share Customer Information with an unaffiliated third party in the following circumstances:

- With service providers as needed to perform services for the Funds or functions on their behalf, subject to sending you an initial privacy notice and obtaining a confidentiality agreement with the third party.
- As necessary to effect, administer, or enforce a transaction you requested, process or service a related service you requested or authorized, or maintain or service your account.
- In connection with a subpoena or similar legal process.
- In connection with an audit, regulatory request or examination.

- As required by regulatory authorities or law enforcement officials that have jurisdiction over the Funds, or as otherwise required by any applicable law.
- To the extent reasonably necessary to prevent fraud and unauthorized transactions.
- With your consent.
- If authorized under other exceptions.

MAKING SURE INFORMATION IS ACCURATE

Keeping Customer Information about your account accurate and up-to-date is very important. If you ever find that your account information is incomplete, inaccurate or not current, or if you have any other questions, please contact us by any of the means listed below. We will try to update or correct any information or investigate your inquiry or complaint as quickly as possible.

KEEPING UP-TO-DATE WITH OUR PRIVACY POLICY

The Marsico Funds will provide this Privacy Notice about how the Marsico Funds use and protect your Customer Information under our privacy policy to you at the outset of our relationship and annually, as long as you maintain an ongoing relationship with us.
